Dear Emory,

Relet 16: I have located a Raikin interview. Send you a copy when I get it. But I see no need to quoye misletter anyway. Tjought I made it clear what intereste me was the others, FBI and HEW.

Davison

On PenkovskyL please do not initiate any inquiries linking ~~him~~ and LEO. Make it only about him.

There is no telling whether whatever you may get may have meaning until we see it. But I think it might be an error to repeat the association I make.

But the effort is the important thing. We never know unless we try.

More than the usual haste.

Sincerely,
